## CSI Transactions on ICT The New Reach of Research

The excitement of knowledge creation — let it not be confined to the laboratory — present it to the Global View ! CSI Publications ventures to propagate the proficiency through this unique journal – an exquisite aggregation of research outputs of the academic, professional and industrial endeavours.

**CSI Transactions on ICT** is a pioneering venture of CSI Publications in compiling and presenting Research Knowledge to the Professional – Technology Officers, Developers, Users and Policy Makers in Government. It is the most comprehensive Research Journal from India on Computer Science and Applications, providing a platform for high quality papers based on Research in India, for India, contributing to Developments and Advances in Technology.

Towards the Goals . . . . .

- To showcase creative and original research contributions and advancements in ICT
- To promote inter-disciplinary translational research and applications of ICT for societal benefit, aligning with the CSI Mission “ICT for Masses”
- To serve as a platform for institutionalizing knowledge creation globally, with focus on India

**CSI Transactions on ICT** highlights the practical implications of the advances of the technological and associated management issues of ICT. Targeted to all professionals, it will also serve the domain experts in education, healthcare, management and agriculture – attempting to deploy the extensive potential of ICT in their respective domains, striving to bridge the digital divide.

CSI Transactions on ICT has been, initially, focussing on the following topics:

- Systems and Architecture
- Software Design and Performance
- Cyber and Information Security
- Education, Health and Agriculture
- Economics, Practice and Management
- Computing and Computational Science

*This is an initiative of*  
**CSI Publications**  
*A Section 8 Company owned by*  
*Computer Society of India*

CSI Transactions on ICT is published by Springer, A Global Publication House specialized in Science and Technology. Springer brings out Web and Print Versions for universal coverage, four issues annually.

*The Major Offering from Computer Society of India  
in its Golden Jubilee Year of Serving Professionals*

*Conceptualized and created by a team of eminent academicians, reputed technologists and leading professionals with intense passion for knowledge generation and propagation; spreading the flame of knowledge and empowerment.*

#### ADVISORY BOARD

**Dr. R Chidambaram**, Principal Scientific Adviser to Government of India

**Mr. S Ramadorai**, Vice-Chairman, TCS

**Mr. Kiran Karnik**, Former President, NASSCOM

**Mr. Ravi Venkatesan**, Member of the Board, Infosys

**Mr. S Mahalingam**, Former Executive Director and CFO, TCS, and Past President, CSI

**Prof. SV Raghavan**, Professor, IIT Madras, Chennai, and

Former Scientific Secretary to the Govt. of India, Office of the Principal Scientific Advisor, and Past President, CSI

#### BOARD OF DIRECTORS

**Mr. S Mahalingam**, Chairman - Former Executive Director and CFO, TCS, and Past President, CSI

**Prof. SV Raghavan**, Professor, IIT Madras, Chennai, and

Former Scientific Secretary to the Govt. of India, Office of the Principal Scientific Advisor, and Past President, CSI

**Mr. Satish Babu**, Past President, CSI

**Mr. HR Mohan**, Former Vice President, The Hindu, and Past President, CSI

#### EDITORIAL BOARD

##### Chief Editor

##### Prof SV Raghavan

Professor, IIT Madras, Chennai and

Former Scientific Secretary to the Govt. of India, Office of the Principal Scientific Advisor, and Past President, CSI

##### Editors-in-Chief

Prof R Balasubramanian, Executive Director, Society for Electronic Transactions & Security (SETS), Chennai and Professor & Former Director, Institute of Mathematical Sciences, Chennai

Prof Gautam Barua, Mentor Director, Indian Institute of Information Technology, Guwahati

Prof Uday B Desai, Director, Indian Institute of Technology, Hyderabad

Prof P Venkat Rangan, Vice Chancellor, Amrita Vishwa Vidyapeetham University, Coimbatore

##### Associate Editors

Prof Abhay Karandikar, Professor, IIT Mumbai

Prof Anand Sivasubramanian, Chief Scientist, TCS Innovation Lab, IITM Research Park, Chennai and Professor, CSE, Pennsylvania State University, USA

Prof Arun Agarwal, Professor & Dean, University of Hyderabad

Prof Ashok Agrawala, Professor of Computer Science, University of Maryland, USA

Prof Bharat Jayaraman, Professor, Computer Science, State University of New York, Buffalo, USA

Dr SM Bhaskar, Director, NTRO, New Delhi and Joint Secretary / Scientist "G", Government of India

Prof Bimal Roy, Professor and Former Director, Indian Statistical Institute (ISI), Kolkata

Prof C Chandra Sekhar, Professor, CSE, IIT Madras, Chennai

Mr Dheemanth Nagaraj, Senior Principal, Intel Technologies, Bangalore

Prof V Kamakoti, Professor, CSE, IIT Madras, Chennai

Mr KM Madhusudhan, SVP & CTO, Mindtree, Bangalore

Mr Manish Gupta, VP & Director, Xerox Research Center of India

Prof Manoj S Gaur, Professor, CSE, MNIT Jaipur

Prof Prashant R Nair, Vice Chairman IT, Amrita Vishwa Vidyapeetham University, Coimbatore

Dr Ramesh Hariharan, CTO, Strand Genomics, Bangalore

Prof Shekhar Verma, Professor IT, IIIT Allahabad

Dr Sriram Raghavan, Professor, Dept of Computing & Information Systems, Uty of Melbourne, Australia

The CSI Transactions on ICT is an amalgamation of the Knowledge Creation Pursuits with significant impacts on the advancement of Science and Technology. The CSI Transactions on ICT creates the opportunity to share the benefits of these pioneering efforts, and to move strategically into the future, to facilitate knowledge creation and to spread its applications and advantages to society.

*A quarterly publication having reviewed papers on the relevant topics was launched in 2013, and free access has been provided to the initial issues published on Springerlink. The concept is proven and now it is being scaled up.*

### ***Inviting All Professionals***

*– Academicians, Research Scholars, Aspiring Researchers, Professors, Heads of Institutions, Industry, Corporate Houses, Governments, Policy Makers – to subscribe to this exclusive journal to get immensely benefited by technical knowledge on the leading edge developments and trends in science and technology !*

*Enrol your subscription and participate in this pioneering initiative of knowledge dissemination and enhance the competencies of the nation to build  
**A Digital, Ubiquitous India !***

### ***Corporate Subscription***

Corporate Houses and Institutions, Colleges are encouraged to subscribe to the publication. The institutions get multiple access to the journal, according to the subscription.  
*Come and be a part of this exciting venture !*

### ***Individual Subscription***

Subscribe and make use of the opportunity to enhance your technological knowledge on the latest trends and developments. Enable yourself to upgrade to higher levels !  
***Yes – it is Growing by Knowing !***

### ***Soliciting Support from:***

- ICT Companies – Hardware, Software, Communications
- Major User Organizations
- Universities
- Research Organizations
- Professionals – Indians and Foreigners

***“Knowledge is Information in Action”***

*Inviting You*  
To Contribute Technology Articles  
To Subscribe to the Journal

*For Subscription and Information, Please Contact:*
